Classes by Session 2021

Session 1: June 14-July 2

Morning Classes (9:00 am -12:05 pm)

Lady Bugs, Dragonflies –Amazing Insects!

Grades K -1 (Morning Class) Session1 Please note grade level refers to the grade entering in the Fall
Colberg

Investigate the amazing world of insects! As junior entomologists we'll take a look at the life cycles and habitat of dragonflies, butterflies, lady bugs—to name a few. We'll venture outdoors, observe our small friends, and use our magnifying glasses and collection nets. We'll practice our letters. We'll produce our own insect field guides illustrated with our art creations, which will assist us in studying these intriguing creatures.

Nature Science -- Through the Eyes of Young Writers

Grades 2-3 (Morning Class) Session 1
Shields

The outdoors serves as our classroom at Lucas Valley Elementary School to provide inspiration for us. We'll do field work studying the environment -- plants, trees, birds, insects. We'll record our findings, write short paragraphs, poems, limericks, and more, with nature as our prompt. As good naturalists, we'll develop illustrated field journals and make them available to our fellow classmates.

Journey on the Orient Express

Grades 4-6 (Morning Class) Session 1
McClure

Grab your passport and board the elegant Orient Express for your travel across Europe. You'll begin your train travel in the city of light, Paris! Your journey will next take you to Vienna, crossing the Danube, and then ending in exotic Istanbul. Be dazzled by the clothes, food, music, and art as you virtually visit the memorable cities. Try your hand at cooking favorite dishes and practice a little of the local languages as you cross Europe. Don't forget to write home and keep a record of your wonderful travel in your journal.

Enchanted Kingdom

Grades K -1 (Morning Class) session 2

Colberg

Journey to an enchanted kingdom—accompanied by our favorite characters. Read stories about Peter Pan, Shrek, Elsa and Anna, and more. We'll make a classroom size map of the enchanted kingdom, showing the treasures and hazards we may find. We'll practice our alphabet and letters, write an enchanted forest book, and practice our math. Our guide to our enchanted kingdom will be a wizard/fairy of our choice!

Ocean Explorers

Grades 2-3 (Morning Class) session 2

Liss

Explore our incredible oceans. Travel through kelp jungles, be careful of coral reefs, and discover underwater volcanoes. As marine biologists we'll investigate ocean creatures such as humpback whales, sea turtles, sharks, jelly fish and more. Using teamwork, we'll examine their habitats, identify their predators, and discover how these creatures survive in the ever-changing ocean environment.

Join our expedition!

Writers' Camp -- Future Short Story Writers

Grades 4-6 (Morning Class) session 2

Shields

Build and Strengthen your writing skills this summer. Our skilled instructor will lead you through energizing, fun activities as you become familiar with the writing process. Important concepts of drafting, revision, and editing will become second nature! As you hone your writing skills, compose and illustrate your own short stories, graphic novellas, and plays to share these with the fellow writers.
